

## List of products and services

<b>1</b>	<b>Industrial fasteners and fixings</b>	<b>3</b>	<b>Assembly and Installation systems</b>
1.01	Screws	3.01	Automated fastener / Assembly systems
1.02	Self-tapping / Thread forming screws	3.02	Feeding / Discharging equipment
1.03	Bolts	3.03	Presses and insertion tools / Equipment
1.04	Socket head products	3.04	Riveting tools, equipment and systems
1.05	Nuts	3.05	Drivers and screw insertion systems
1.06	Studs and threaded rod	3.06	Welding / Soldering equipment
1.07	Washers and pressed parts	3.07	Bonding and adhesive systems
1.08	Blind fasteners (rivets, rivet nuts, cage nuts)	3.08	Assembly jigs and rigs
1.09	Locking devices and seals	3.09	Hand tools
1.10	Pins and keys	3.10	Clinching / Self piercing systems
1.11	Springs	3.11	Nailing / Stapling tools and systems
1.12	Clamps and rings	3.12	Collated fastener systems
1.13	Circlips / Retaining rings	3.13	Power tools
1.14	Hot forged fasteners and parts	3.14	Other assembly tools and equipment
1.15	Cold forged fasteners and parts		
1.16	Stainless steel fasteners	<b>4</b>	<b>Fastener manufacturing technology</b>
1.17	Non-ferrous fasteners (brass, titanium, aluminium, copper)	4.01	Fastener design and production simulation
1.18	Plastic and nylon fasteners	4.02	Materials, wire and semi finished products
1.19	Fastener assemblies and combinations	4.03	Material preparation and inspection
1.20	Self piercing / Clinching fastener systems	4.04	Forging / Heading machinery
1.21	Collated industrial fasteners	4.05	CNC machining and turning equipment
1.22	Security industrial fasteners	4.06	Presses and stamping machinery
1.23	Knobs / Handles / Finger turn fasteners	4.07	Other forming technologies
1.24	U-bolts, hook or eye products	4.08	Thread forming, assembly and secondary operations
1.25	Non-metric fasteners	4.09	Tooling, dies and punches
1.26	Nails, staples and brads	4.10	Heat treatment
1.27	Special / To drawing fasteners	4.11	Materials / Product handling and transfer
1.28	Turned / Machined parts	4.12	Maintenance and environmental control
1.29	Adhesives and tapes	4.13	Process control and data processing
1.30	Other industrial fasteners and fixings	4.14	Surface treatment, coatings and sealant systems
		4.15	Inspection and quality control
<b>2</b>	<b>Construction Fixings</b>	4.16	Wire drawers / Uncoilers
2.01	Concrete anchors, mechanical	<b>5</b>	<b>Storage, distribution, factory equipment</b>
2.02	Chemical anchors and resins	5.01	Weighing / Counting equipment and services
2.03	Light duty anchors and fixings	5.02	Packaging equipment, materials and services
2.04	Concrete screws	5.03	Storage and materials handling
2.05	Façade and insulation fixings	5.04	Computer systems and software
2.06	Interior fixings	5.05	Logistics services
2.07	Wall plugs	5.06	Other factory equipment
2.08	Drywall fixings and systems		
2.09	Wood / Chipboard / Decking screws	<b>6</b>	<b>Information and communication</b>
2.10	Window screws / Frame anchors	6.01	Research / Development
2.11	Sanitary and plumbing fixings	6.02	Technical / Business consultants
2.12	Nails, pins and staples	6.03	Training and education
2.13	Structural steel fasteners	6.04	Associations
2.14	Self drilling / Tapping screws	6.05	Publishers
2.15	Security fasteners for buildings		
2.16	Stainless steel fixings		
2.17	Threaded rods and suspension fixings		
2.18	Roofing and solar installation fixings		
2.19	Hardware / DIY prepacks and assortments		
2.20	Brackets and connectors		
2.21	Other construction fasteners and fixings
